Your recollection is accurate that we had been contemplating an arrangement with the College. However, we opted for the simpler outright purchase by the Town, so we will be the Grantee.

I don't have a specific closing targeted -- certainly before the end of the month is preferable on our end. On our end, I'm generally clear for the paperwork, so it really is more up to you and the rest of your Board. Hopefully, we can target something like the 24th or 25th.
